## GREETINGS FROM THE CHEF

Sub Oceanic is proud to be one of the highest-awarded Scuba Schools International (SSI) Dive Centers in the Maldives. An experienced and highly motivated team keeps the SSI Diamond Center Award up for the third year in a row. This reflects on the safety standards in place and the teaching capabilities of the dive instructors on site. Apart from being a SSI Diamond Center, Sub Oceanic at Fairmont Maldives is also certified as a SSI Instructor Training and SSI Mermaid Center.

Beside the classical beginner programs like Try Scuba and Open Water Diver, we offer a wide range of specialty courses for certified divers. Some contain two training dives, while others contain three. Certain specialty courses can also be combined.

### Specialties with 2 training dives are:

- Perfect Buoyancy (Improve air consumption)
- Enriched Air Nitrox (EANx) (Stay longer)
- Photo & Video (Nail Instagram shots and reels)
- Night and Limited Visibility (Safely night dive)
- Wave, Tides and Currents (Discover peace in rapids)
- Ecology Specialties (Learn about marine life)
- Navigation (Always find your way back)

### Specialties with 3 training dives are:

- Deep Diving (Immersing into the beyond: Exceeding 18-meter depths)
- Independent Diving (Dive safely by yourself or with an unreliable buddy)
- Search and Recovery (Underwater exploration and retrieval diving in search of lost items)

If there is anything else you were ever curious about in diving or marine life please let us know. Our Instructors and Marine Biologist will most probably have the answer. If not we will find it out for you.
